Description

Sturdy handles covered mentantislip composite and "Soft Grip". Stable and made from top quality materials.

Suitable for mounting additional accessories such as document holder, wall plates and tool hooks. The central lock protects your tools against unwanted loans at the workplace.

Drawers are equipped with reinforced guides and slide mechanism with ball loaders.

Each drawer has individual blockage.

The profiling in the rear wall of the tool trolley improves the strength. The perforated side walls make it possible to mount various accessories. All metal parts are powder coated.

The preformed "Toolbeds" are oil-resistant and durable.

Reinforced wheels with brakes.
