## Description

Mineral oil designed to lubricate various types of Airpress screw compressors operating under normal and severe conditions. The oil meets the requirements of ISO VG 46 and is characterised by:

- Excellent lubricating properties
- High resistance to oxidation
- Strong anti-corrosion properties
- Effective friction reduction
- Reliable lubrication across a wide temperature range

*Note:* Do not pour used oil into water, sewerage, or soil. Protect the environment by using designated oil collection points. Avoid contact with skin – the oil may cause an allergic reaction. Avoid inhaling hot oil vapours. Avoid contact with eyes – may cause damage. Wear appropriate eye and hand protection (safety goggles and gloves). Do not ingest.
