Description

his extensive tool trolley from Airpress is 447 pieces, almost any hand tool you need for the job can be found in one of the 16 drawers. The central locking protects your tools and all corners of the car are reinforced with rubber covers. The durable metal handle, together with the reinforced structure and the large work table, ensure a robust design that will last for a long time.

This trolley is equipped with the same tools as the 79156 tool trolley and a further 230 parts tool in 5 extra modules. The perforated side walls make it possible to mount various accessories, the drawers are equipped with reinforced guides and a sliding mechanism with ball loaders.
